**RTP 2099 X 124789 D
Bio-Based Polylactic Acid (PLA)
Impact Modified
Transparent
79%Renewable Resource Content**

Not optically transparent. Thick wall sections can be hazy.
We're sorry, but our sources do not report any other information for this material.
Sometimes you will see this message if a material has been added but the nightly update to the tables has not been completed.

PROPERTY NOTES

Data herein is typical and not to be construed as specifications.
Unless otherwise specified, all data listed is for natural or black colored materials. Pigments can affect properties.

PROCESSING NOTES

Desiccant Type Dryer Required.
For detailed processing information, see the PLA Molding Guide on the RTP Company website. www.rtpcompany.com/pla

3 Oct 2011 CAO

This information is intended to be used only as a guideline for designers and processors of modified thermoplastics. Because design and processing is complex, a set solution will not solve all problems. Observation on a "trial and error" basis may be required to achieve desired results.

Data are obtained from specimens molded under carefully controlled conditions from representative samples of the compound described herein. Properties may be materially affected by molding techniques applied and by the size and shape of the item molded. No assurance can be implied that all molded articles will have the same properties as those listed.

No information supplied by RTP Company constitutes a warranty regarding product performance or use. Any information regarding performance or use is only offered as suggestion for investigation for use, based upon RTP Company or other customer experience. RTP Company makes no warranties, expressed or implied, concerning the suitability or fitness of any of its products for any particular purpose. It is the responsibility of the customer to determine that the product is safe, lawful and technically suitable for the intended use. The disclosure of information herein is not a license to operate under, or a recommendation to infringe any patents.
